

Router>ping 192.168.1.1

The diagram illustrates the components of the command 'Router>ping 192.168.1.1'. The command is written in a monospaced font. Below the command, there are four horizontal underlines of different colors: red, green, blue, and purple. Arrows of the same colors point from the Greek labels below to the corresponding parts of the command: a red arrow points from 'Προτροπή' to the red underline under 'Router>', a green arrow points from 'Εντολή' to the green underline under 'ping', a blue arrow points from 'Κενό' to the blue underline under the space after 'ping', and a purple arrow points from 'Λέξη κλειδί ή παράμετροι' to the purple underline under '192.168.1.1'.

Προτροπή

Εντολή

Κενό

Λέξη κλειδί ή παράμετροι
